An Act for the Organization of Corporate Congregational Churches

Act 53, Public Acts of Michigan, 1901, as amended by Act 84, Public Acts, 1905, and Act 298 of Public Acts of 1913

The People of the State of Michigan enact:

SECTION 1. Sections one, two, three, four, five, six, seven, eight, nine and ten of act number fifty-three of the Public Acts of nineteen hundred one, entitled "An act for the organization of corporate Congregational churches," as amended by act number eighty-four of the Public Acts of nineteen hundred five, are hereby amended to read as follows:

SEC. 1. It shall be lawful for any number of persons of full age, not less than five, who may desire to form themselves into a Congregational church, to adopt, execute and acknowledge before any person authorized to take acknowledgment of deeds, articles of association, in writing, whereby they shall agree to organize a church, according to the faith and usages of the churches commonly called Congregational, under the name and style set forth in said articles, which shall contain the following items:

First. The name of said church;

Second. The township, village or city, and the county in which said church shall be located;

Third. An agreement to worship and labor together as a church according to the faith and usages of the churches commonly called Congregational.

SEC. 2. The persons signing said articles may, at the same time, elect by ballot, or may designate some other time and place for so electing, not less than three nor more than twelve trustees, a majority of whom shall be members of said church, to serve until their successors shall be elected. One-third of said trustees as near as may be shall, at the first election, be chosen for three years, one-third for two years, and one-third for one year, but thereafter, except to fill vacancies, they shall be chosen for three years, of which election a full record shall be made, and a certified copy of such record, signed by the presiding officer and secretary of the meeting at which said election is held, together with said articles of association, shall be recorded by the clerk of the county in which such church or place of worship is or shall be located, in a book by him provided for that purpose, and such clerk shall be entitled to a fee of ten cents per folio for recording the same. When said articles of association and the certificate of election of said trustees shall have been so filed for record, the persons who shall have signed said articles, together with those who shall thereafter become members of said church, and, if the articles of association so provide, those persons being of legal age, who are, and those who shall become regular contributors to the support of said church, shall become and be a body corporate under the name and style adopted in said articles, which name shall conform to the following form, namely: The (insert name or number) Congregational church of (insert name of place of location).

SEC. 3. It shall be lawful for said corporation at any regular or called meeting of its members, due notice having been given as hereinafter provided, by a two-thirds majority of the ballots cast at such meeting, to amend its articles of association in any manner not inconsistent with the provisions of this act, and such amendment shall become operative when a copy of the same, duly certified by the presiding officer and clerk of such meeting, and acknowledged before any person authorized to take acknowledgment of deeds, shall be filed with the clerk of the county for record.

SEC. 4. At all meetings of said corporations, subsequent to the first, right to vote upon questions involving the acquirement and disposition of property and the expenditure of money shall be confined to adult members of the church so incorporated, and, if the articles of association so provide, those persons being of legal age, who are regular contributors to its support: Provided, That if said church shall have suspended worship, the right to vote shall be determined as of the date of such suspension.

SEC. 5. Notice of meetings of said corporation, specifying the time, place, and object thereof, shall be read from the pulpit on the two successive Sundays preceding such meeting on which services shall be held: Provided, however, That in case it is proposed to amend the articles of association, the proposed amendment, together with a notice of the meeting called for its consideration, shall be read from the pulpit on the three successive Sundays, immediately preceding such meeting on which services shall be held; and the proposed amendment shall not itself be amended, in any material point, in the meeting so called for its consideration: And provided further, That if there should be no public services at which the notice herein required may be given, said notice may be posted on the church door or published in the town, city or county newspaper whose circulation among the members is greatest, for three weeks preceding such meeting, specifying the time and place and object thereof.

SEC. 6. In the management of the secular affairs of the church so incorporated and of the business of said corporation, but subject always to its direction and control, the board of trustees thereof shall have and exercise all such powers of the board of directors of a business corporation as are appropriate to the purposes and business of a religious corporation: Provided, however, That said board of trustees shall not choose, call, settle or dismiss a pastor or fix his salary, or buy, sell, convey or incumber real estate or any right thereto or interest therein, unless instructed so to do by said corporation at a regularly called meeting: And provided further, That members of the board of trustees and such other officers as may be provided for in the articles of association shall be elected by ballot at a regularly called meeting of those entitled to vote under the articles of association.

SEC. 7. Such corporation may have a seal and alter the same at will. It may, in its corporate name, sue and be sued in all courts of competent jurisdiction. Subject to the provisions of this act it shall have power to choose, call and settle a pastor and fix his salary; to elect trustees, treasurer and clerk and such other officers as may be provided for in its articles of association; to direct and control their actions; to acquire, hold, manage, control, sell and convey property both real and personal; to hold and recover all debts, damages, rights, privileges and all property, real, personal or mixed of what

soever nature they or it may be and in whosoever hands held, belonging or appertaining to said church or to the religious organization out of which it is incorporated or reincorporated the same as if the right and title to said property had originally been vested in said corporation. It may hold so much real estate as may be needed for the purpose of church building, parsonage and cemetery purposes and of any so-called institutional activities; it may also hold for a period not exceeding ten years, such real estate as may be conveyed or devised to it even though the same be not needed for the purposes above mentioned or be actually occupied by it in the exercise of its franchises: Provided, however, That all property of said corporation whether real, personal or mixed or whether held in fee or in trust and the income therefrom and the proceeds thereof when sold shall, subject to the terms of any trust or trusts relating thereto or to any part thereof, be held and used by said corporation for the benefit of said church as a Congregational religious organization, and for no other purpose whatsoever, except as provided in section eight of this act. Said corporation may and shall hold in perpetuity as a permanent fund all property given, bequeathed or devised to it or acquired by it for the purpose of an endowment, the income from which fund, subject to the terms of any specific trust or trusts relating thereto, or to any particular part thereof, may be used for any lawful purposes of said church or corporation: Provided, That as to real estate, said property, when so required by law, may be sold and the proceeds from such sale covered into said fund: And provided further, That said corporation, in the lawful administration of said fund, may sell any property therein and re-invest the proceeds of such sale in such securities and other property as shall be lawful investments for saving banks and trustees in this state, said property and securities when acquired, to become a part of the principal of said fund: And provided further, That none of the offerings of said church received or collected for missionary or benevolent purposes shall be used for the current running expenses of said church or corporation; nor shall any fund or funds, money or other property received, set aside, accumulated or acquired for a specific purpose be diverted to any other use without the consent of the donor or his duly authorized representative.

SEC. 8. In all cases where the property of any corporation subject to the provisions of this act has been abandoned, or is no longer used for the benefit of said corporation as a Congregational religious organization, or if said corporation has for a period of two years ceased to exercise its corporate functions, or to hold regular religious services, then, in any or all of such cases, the local association of churches with which it is, or has last been connected may, by resolution declare the said corporation extinct and may notify the Michigan Congregational Conference, a corporation organized and existing under and by virtue of the laws of this state, of such resolution. Upon receiving such notice the said conference by its executive committee or such officer as said committee may designate, may apply to any court of equity jurisdiction in the county in which said property may be, for a decree, dissolving said corporation and vesting the title to its property in the said Michigan Congregational Conference. The application for such decree shall contain a statement of the reasons for said action and there shall be annexed thereto a duly certified copy of the resolution of the local association of churches

to which said corporation belonged, declaring said church extinct, as above provided. Upon the filing of said application an order shall be entered, requiring all persons interested in said corporation, to show cause if any they have why such corporation should not be dissolved, at some time and place to be therein specified, not less than four weeks from the date thereof. Notice of the contents of such order shall be published once in each week for three successive weeks in a newspaper published in said county, if any such there be, and if not, in such newspaper of general circulation in said county as the court may direct. On the day appointed in such order, or on any day to which the court may adjourn the proceedings, if it shall appear to the court that the facts set forth in said application are true, a decree shall be entered, dissolving said corporation and vesting the title to its property in the said Michigan Congregational Conference, and such corporation shall thereupon be dissolved and the title to its property shall vest in the said Michigan Congregational Conference, which shall hold the said property, or the proceeds thereof if, in its judgment, it shall be deemed wise to sell it, in trust for two years and if, within said time, a Congregational church shall be incorporated under this act as the successor of the church so dissolved and shall be received in due form as a member of the local association to which the said church belonged at the time of its dissolution, it shall be the duty of the said Michigan Congregational Conference, on receiving satisfactory proof of said facts, to convey the said property or the proceeds thereof to the said church so incorporated which shall then be deemed to be in all respects the successor of the said church so dissolved, and shall succeed to all of its rights, privileges, property and obligations, except as above provided, as if said corporation had not been dissolved. But if no such church is so organized and incorporated, the absolute title to said property shall vest in the said Michigan Congregational Conference, subject to all trusts affecting the same in the hands of the dissolved corporation.

SEC. 9. Any church or religious organization, whether incorporated or unincorporated, may, at a meeting duly called for the purpose, by a two-thirds vote of those persons present and voting, place itself under the provisions of this act, the same as if incorporated under it by adopting and filing articles of association as provided in section two hereof.

SEC. 10. In all cases, whether in law or in equity, that may arise in any of the courts of the state, regarding churches incorporated under this act, or those which by vote shall have put themselves under its provisions, all other acts or parts of acts inconsistent herewith shall be interpreted and construed in such manner as to give full force and effect to the provisions of this act.

In effect after August 15, 1913.

They shall carry into effect the action of the Conference upon their recommendations, but the appointment, oversight and control of all such agencies shall be vested in the Trustees and their Executive Committee, provided that any appointment of a superintendent shall be subject to confirmation of the Conference. CONSTITUTION

(As amended June 9, 1910, and May 14, 1914.)

PREAMBLE

The Michigan Congregation Conference in voluntary fellowship for the promotion of the Church of Christ through common consecration and co-operation, makes confession of its devout faith in one God, our Father in Heaven, who has manifested himself to the world in Jesus Christ, His Son, our Lord, and in living fellowship abides in His children through His Spirit, our guide and comforter; and, believing that the principles of the Congregational system of church government are best adapted to the promotion of the welfare of the Christian church, and believing, moreover, that the extension and efficiency of the system would be greatly promoted by organizing a general Conference of the Congregational churches and ministers of Michigan, we therefore, to form such a Conference adopt the following:

In accordance with the provisions of the Articles of Association and the Constitution of the Michigan Congregational Conference it is recommended to the churches and local associations that provision be made for the appointment of local advisory committees in the associations to act in conjunction with the trustees of the state body; it is also recommended that provisions be made according to specifications given herewith for the examination licensure and ordination of candidates for the ministry.

These recommendations pertain first to the appointment of local association advisory committees. It is recommended:

I. That each local association appoint a committee to be called the Advisory Committee, consisting of five members, of which the moderator and registrar of the association shall be members *ex officio*, and three other members, to be elected at the annual meeting, as follows: At the first election one member to be elected for one year, one for two years and one for three years; and thereafter one to be elected each year to serve three years. It is urged that special care be taken to secure the most competent membership for the committee.

II. The functions of this committee to be—

1. To know the churches and ministers within the bounds of the association, their character, needs, and conditions, and to keep a record of the same corrected to date and filed with the registrar.

2. To hold itself in readiness at all times to assist, inform, advise, and suggest, upon request, in cases where a change of pastorate, the organization of a church, the consolidation of fields or other exigencies affecting the common welfare of our churches, may call for such action.

3. To be in active and constant communication with the Board of Trustees of the state conference; filing with it its local information; gathering from its larger files wider information; reporting to it at once any changes in fields or men; making investigation at its request, and aiding in all possible ways its effort to know Congregational life.

4. To act in conjunction with the pastor of the church where a meeting of the association is to be held, as the program committee; with a view to suggesting, from its knowledge of the field, vital and practical topics, presenting plans of progress or extension, and increasing the interest among both clerical and lay members of our churches, in the meetings and work of the association.

5. To be the Missionary Committee of the association.

These recommendations pertain second, to ordination and examination on the course of study.

I. Inasmuch as under our present system ministerial standing vests in the local association, it is recommended that to the same body be accorded the function of passing, after due examination, upon the credentials and fitness of candidates for ordination. It is suggested that the procedure be as follows:

1. A church seeking to induct into its pastorate a man who has not been ordained, may present the candidate for examination at a meeting of the local association with which the church is connected; notice of such intention having been previously given to the registrar and printed on the program of the association meeting.

2. The said association to examine the candidate thus presented in regard to his intellectual, moral and spiritual fitness for the ministry, and if approved, to present a certificate of such approval to him and to the church presenting him.

3. Upon the basis of such certificate the church to proceed, either then or thereafter; to the ordination of the candidate through a council of fellowship; the same being either the association or a group of churches elected by the church and the candidate.

II. Inasmuch as this conference has provided a course of study for those applicants for ordination who have not received collegiate and seminary education, it is recommended that, for the sake of uniformity, the examination of candidates on this course of study be conducted by a committee of the state conference; and that the certificate of said committee that he has completed this course satisfactorily shall be required in all such cases by the local associations before it proceeds to his examination for ordination.

RESOLUTION ADOPTED AT THE ANNUAL MEETING MAY 16-18, 1911

That the committee on examination and course of study be instructed to hold the examination of licentiates on the opening day of the conference.

REPORT ON THE STATE OF THE CHURCHES

In the report on the state of the churches which was presented at our last annual meeting, reference was made to the feeling of confidence that had characterized the previous year and to the spirit of optimism that permeated the reports of both pastors and churches for the year that had just come to a close. From a careful study of the large and varied sources of information open to the registrar, the conviction was expressed that Michigan Congregationalism had emerged from its winter of discouragement and discontent and was enjoying a season of fine spring weather that was calling willing workers into the field and giving promise, in due time, of an abundant harvest.

During the past year the first fruits of that harvest have been gathered in. In many respects the year 1914 was the most prosperous year that Michigan Congregationalism has enjoyed for nearly a score of years. The record of the year indicates the following advance: A substantial increase in church members, of which a large proportion were men; a goodly gain in Sunday School membership; an unusual increase in C. E. Society membership; and nearly ten per cent. increase in gifts to our National Societies. The following exhibit tells an interesting story:

In church membership the additions on confession were 2,126, by letter, 1,270, total 3,396. The net gain was 950, which was the largest gain since 1897. The total membership at the beginning of this year was 33,354, which was 406 in excess of all previous records. The male membership on that date was 10,999, which was 457 in excess of all previous records. This increase is most gratifying when we take into account the large number of churches whose membership is necessarily decreasing, owing partly to the waning of the lumber industry, in the full tide of which many of the churches were born, and partly to the exodus that is steadily going on from the country to the city. Of our 312 churches, 120 reported a net loss. In some cases this was due, in spite of large additions, to a vigorous pruning of the rolls. Sixty-four churches reported no change. The remaining 128 churches not only made good their own losses and the losses of the entire state, but they also created the large net gain. The churches reporting a net increase of 25 and over are the following: Bangor, 1st, 50; Benton Harbor, 64; Charlotte, 119; Detroit, First, 31; Detroit, North, 47; Detroit, Brewster, 31; Detroit, Highland Park, 31; Dundee, 38; Grandville, 46; Hart, 36; Lakeview, 35; Lansing, Plymouth, 42; Pontiac, 42; St. Joseph, 43; Watervliet, 59; Wyandotte, 51. To this list must be added the church hitherto known as the Independent Congregational Church of Battle Creek which was duly and cordially received into the Lansing Association on December 7, 1914. The church was organized in 1837 as a Presbyterian-Congregational church. Twenty-seven years later the Presbyterian element withdrew and organized the present Presbyterian church, leaving the Congregationalists to themselves, who took the name of the Independent Congregational Church. Although the church had been wooed by other communions it had never been affiliated with any denomination until admitted into the fellowship of the Congregational churches. This step was taken by the church in a

wholehearted and completely unanimous way from a desire to enter into a larger fellowship and freedom of service. The church reported January 1, last, 260 resident members.

In Sunday School membership the gain was 857, giving an enrollment of 38,157, which is the highest point reached since 1901. This includes 50 branch, mission and out-station Sunday Schools with an enrollment of 1,913.

In the C. E. Society a new day seems to have dawned. The Society reached its high water mark in 1897 with a membership of 14,602. Steadily, year by year, without an exception, the membership has fallen until the enrollment stood last year at 4,781. During the past year the number of Societies increased from 113 to 134, a gain of 21, with a total gain in membership of 1,113.

The contributions from the churches to the National Societies were as follows:

Societies	Churches Contrib- uting	Amount	In- crease	De- crease
A. B. C. F. M.....	148	\$6,707	\$347
Woman's Board	149	8,034	1,114

The State Conference recommended last year that the churches make an earnest effort to increase their benevolences at least ten per cent. They have fallen short of this standard only a little more than one-half of one per cent. To these amounts for which credit is given under the Apportionment Plan there should be added the following: Other Congregational benevolences, \$10,306; Undenominational gifts, \$8,513, making a total from the churches, not counting individual gifts, of \$64,293.

A gratifying advance has also been made in pastors' salary. Twenty-six pastors report an increase in sums ranging from \$25 to \$500. Two years ago the average salary for the state not including rental value of parsonage, was \$930 per pastor. A year later the average had risen to \$971 per pastor. The average for the past year based on reports from 194 pastors who were serving 256 churches, was \$1,044 per pastor.

Other items of interest of a statistical character are:

	Amount	Increase	Decrease
Home expenses	\$433,945	\$662
Church property	3,022,896	\$135,151
Invested funds (27 churches).....	92,352
Debts (81 churches)	141,101	25,477

In the line of material improvements there has been the accustomed activity. Repairs amounting to \$500 and under have been reported from 40 churches. Larger amounts are as follows: For repairs and

enlargements, Alpena church and parsonage, \$1,085; Constantine church and parsonage, \$750; Detroit Mt. Hope, \$1,200; Detroit North Woodward Ave., \$5,000; Grand Rapids Plymouth, \$1,000; Grand Rapids South, \$7,000; Morenci, \$1,000; Rochester, \$10,000; Royal Oak, \$1,000; St. Clair, \$2,500; South Haven, \$7,600; Ypsilanti, \$4,000. For new parsonages: Big Rapids, \$1,800; Flint, \$6,000; Long Rapids, \$700; St. Johns, \$5,000. For new buildings: Armada, church, \$11,000; Brimley, church, \$4,500; Detroit Polish, parish house, \$8,000; Fenwick, church, \$2,500; Utica, church, \$6,000; Muskegon parish house and church improvements, \$22,000. To this list should be added the Battle Creek church which is enrolled for the first time among our churches. The building recently erected is one of the most beautiful and usable church edifices in the state, situated in the heart of a choice residential section, and valued at \$80,000.

Turning now from this encouraging statistical and financial exhibit to consider the activities of the churches, we note that the four characteristics which were so prominent in the report of last year have undergone a marked development. There is a deeper and more general conviction concerning, first, the supreme worth of the church; second, the unique value of the Sunday School and the organized work of the young people; third, the readiness of men to engage in the active life of the church when the church program is a large and practical one; and fourth, the importance of the social life as an element in Christian conduct and character. This deepened conviction has found expression in enlarged activities and increased efficiency. It appears that the convictions which have long been cherished by a few people of vision, both pastors and laymen, have at length been imposed upon the churches and almost unconsciously they have found themselves in possession of a program that is calling out their best endeavors and unifying all their activities.

One of the most hopeful signs of this awakening with its new and varied expressions of life, is the emphasis which is being placed upon the church as the central organization from which all minor organizations have their birth and in which they live and work and achieve their highest success. Many members, one body. In the reports received within the last few weeks from a large majority of our pastors, constant allusion is made to the growing interests which the various organizations are taking in the central life and work of the church. The Sunday School and Young People's organizations are proving in a new way that they are the servants of the churches. A long list of their helpful activities in behalf of the churches was given in the report of last year and need not be repeated. The result of this activity becomes apparent this year in a striking manner. Of the large number of additions on confession reported since the beginning of this year more than half come from the Sunday School and the Young People's societies. Our churches are becoming more attractive to the young people. One pastor writing of a large ingathering on Easter, says, "Twenty of these young people took the initiative and asked to join; the others needed just a word." Other pastors bear similar testimony.

The Brotherhoods and men's organizations are maintaining a like attitude toward the church. There is a distinct note of pride and triumph in the report of many of our pastors when they refer to the work of their men. Such activities as the following are placed to their credit: Sunday School class in applied christianity; work among the boys; Sunday School extension; church extension and publicity;

putting modern business methods into church finances; boosting the Sunday evening service; a Brotherhood chorus; evangelistic and systematic bible study; furnishing entertainment for the community and making the church the largest social force; allying the church with every forward movement in the community. These quotations taken from the reports of city, village and country pastors alike might be greatly multiplied, and all go to show that the men whose interest in Christian work has recently been quickened are showing no disposition to follow a spectacular and erratic course but are directing their activities largely through the recognized channels of the church.

No extended notice is given in this connection about the work of the women and nothing needs to be said except to acknowledge with profound gratitude their devotion to the church which finds expression in countless ways and which can be relied upon when all other aid fails.

The growing recognition of the supreme worth of the church is leading to the adoption of more systematic plans for the recruiting of church members. The pastors generally report that they are making definite efforts in various ways to increase church membership during the present year. Following are some of the methods employed: Win One More League; Personal Workers' League; frequent presentation of the matter to Sunday School teachers; personal evangelism; decision day; yearly training class; evangelistic sermons Sunday evening; persistent pastoral work; personal letters; a brief address the first Sunday of each month on the claims of the church; a persistent use of the Sunday School and Young People's societies as recruiting ground. A renewed interest is also being taken in the work of evangelists. During the past year 27 churches reported special meetings under their leadership. Of that number about half were union meetings and about one-fourth tabernacle meetings. The results of these meetings as reported by the pastors range all the way from "failure" to "very good." The most satisfactory results seem to have been at Bangor, Ludington, South Haven, Thompsonville and Watervliet where there were large gatherings. Evidence that the movement which brought such an unusual number into the church last year has not spent its force is found in the large additions reported since the beginning of this year. The following churches report additions of 25 and over since January 1: Battle Creek, 45; Big Rapids First, 39; Benton Harbor, 70; Cadillac, 27; Charlotte, 100; Cheboygan, 54; Detroit First, 32; Detroit North, 65; Detroit Fort, 37; Greenville, 28; Grand Rapids Park, 88; Jackson First, 31; Kalamazoo, 45; Litchfield, 35; Lowell, 25; Ludington, 100; Muskegon First, 29; Pontiac, 26; South Haven, 47; Thompsonville, 28; Traverse City First, 27; Vanderbilt, 25. The total additions reported for the first four months of this year are about half the number received during the year 1914.

The shifting of population had led to the dropping of three churches from the roll: Swedish-Finnish church in Ironwood, the church at Hetherton in Montmorency county, and the church at Dover in Clare county. These churches have rendered good service to their communities in the past, especially the church at Hetherton, but their entire membership has removed elsewhere and their mission has ceased. On the other hand two churches have been added to the roll: Battle Creek which has already been mentioned, and Pilgrim church, Detroit. The latter church of which Rev. I. W. Stuart formerly of Alpena, is pastor, was organized May 2 with 69 members. The church is situated in a choice and rapidly growing residential section in the northwestern

part of Detroit and gives promise under Mr. Stuart's leadership of a healthy and vigorous growth. Ground was broken last week for a temporary chapel.

In closing this report it may not be amiss to refer to the quiet but noticeable influence which the News Bulletin has exerted in strengthening the bonds of fellowship and creating an atmosphere of hopefulness throughout the state. Before its publication a large part of the correspondence received at the Lansing office was concerned entirely with local troubles and serious discouragements. The writers were generally obsessed with this idea, "Our situation is very peculiar." Enough letters of that character are still received to make a large draft upon one's sympathy and strength, but another kind of correspondence has been born. Scarcely a mail is received that does not bring letters containing cheerful news, speaking thankfully of this and that act of service rendered by some organization of the church, and closing with the suggestion, "I thought you might care to mention this in the News Bulletin." Thus by means of this silent messenger of the churches we are coming more and more, "To rejoice with those who rejoice" which is perhaps a more unusual experience than "To weep with those who weep." The questionnaire which was mailed to all our pastors less than a month ago has come back generally redolent of good cheer with emphasis upon the most encouraging feature of church life. Here are some of the things for which our pastors thank God and take courage: The blotting out of old scars; evangelistic purpose of the church; spirit of love and good fellowship; loyal co-operation; a noble band of devoted women; a united church; the general heartiness with which the men of the community support the church and attend the services; large audiences; large addition of members, more men than women; everybody at work; interest of men in the church; growth of church in esteem of community; the Sunday School; increased attendance at prayer meeting; the large class of sterling young married people just admitted to the church; and lastly this, "morning service, Sunday School, pastor's class, Christian Endeavor, all a joy."

L. P. HAIGHT, Treasurer

REPORT OF TRUSTEES

During the year there have been held four meetings of the Executive Committee and three meetings of the Board of Trustees. Heretofore no effort has been made to hold an annual meeting of the Board of Trustees except at the time of the Annual State Meeting. At that meeting a summary of the year's work of the Executive Committee has been reported to the Board of Trustees for its information and approval. It has been felt, however, that a gain in administrative efficiency would ensue if the full Board of Trustees were assembled once a year to make a careful survey in detail of the work of the state. Accordingly it was voted at the last Annual Meeting of the Board of Trustees to hold a semi-annual meeting in Lansing in the month of January. The meeting was held January 12 and 13 with sixteen members present; also Supt. J. W. Sutherland, General Missionary C. H. Harger, and Sunday School Missionary F. W. Sass. Ten full hours were given to the consideration of various phases of the state work. It was the judgment of all present that the time and expense involved were fully justified and that hereafter such a meeting should be held annually.

The cordial relations that have happily existed for years between the churches and the state administrative force are, year by year, growing more inclusive and intimate. Many of our larger churches in the state have freely solicited the counsel and co-operation of the State Board in various important matters; the service rendered has been beneficial to the churches as well as to the state fellowship. The intimate acquaintance of the State Superintendent and his assistants with conditions and workers in all parts of the state has made possible a large increase in helpful service along various lines without adding to the working force or increasing the administrative expense.

The Friendship and Efficiency Campaign which was recommended by the Conference at its last annual meeting was carried out by half the local associations in the state. The special committee appointed by the State Executive Committee to co-operate with the local associations at their request, was not overwhelmed with requests for co-operation. Each local association planned and carried out its own campaign. From reports received it appears that about seventy-five pastors actively participated, some of them giving a full week or more to the work. One helper from outside the state visited several churches. Four or five pastors visited churches outside of their own local associations. Only one layman and several women were reported as active in the campaign. In several local associations there was a general exchange of pulpits on a given Sunday. The dominant notes in the campaign were friendship and service. Testimony from both pastors and churches indicates that the work was well worth while.

In lieu of the accustomed County Pastor's Institute, plans were made to secure the attendance of our Home Missionary and country pastors at the annual meeting of the American Board in Detroit in October. A fund contributed by a few churches and individuals was sufficient to pay the expenses in full of thirty-three of our Home Missionary and county pastors, four of whom were accompanied by their wives, most of them coming from the interior and remote parts of the state. While

in Detroit the ministers and their wives were the guests of the Detroit churches. Several luncheons were given in their honor with a few other invited guests, at which there were a number of brief addresses and most delightful social converse. Many letters of appreciation were received after the pastors had returned home. The following letter is typical. "I enjoyed the meeting very much and feel greatly benefited by being there. Those banquets were a rare treat, rich in the enjoyment of true fellowship. We have reason to be deeply thankful for the kind and generous consideration which made possible all the good things we enjoyed."

In the department of Home Missions there have been employed for the whole or part of the year 65 pastors who have supplied 99 churches and out-stations and have rendered a total of 567 months' service. Twenty-one of these pastors have ministered to a single congregation and 44 to two or more congregations. Closely allied with the Home Missionary work of the churches is the Sunday School Missionary work, which has been carried on as usual, with slightly increased results. Special efforts have been put forth through a series of institutes conducted by our Sunday School Missionary, to strengthen the work of the Sunday School in the smaller churches. The churches have shown appreciation of this work and more attention will be given to it during the coming year.

The legislation obtained in the year 1913 for the organization of corporate Congregational churches and for the consolidation in Congregational churches of an Ecclesiastical Society with its church, is strongly commending itself to the churches. A number of churches have taken steps to incorporate or to reincorporate as the case might be, and several churches, among them the First Church, Jackson, and Park Church, Grand Rapids, have consolidated the Ecclesiastical Society with the church. Several other churches with large membership and valuable property are giving the matter consideration.

The recommendation of the State Conference Education Committee which was adopted by the Conference at its last session, has been approved by all parties concerned. By the terms of that agreement the Michigan churches pledge themselves to do their best to raise \$2,500 for the year 1915 to be divided as follows: \$500 each to Ben-zonia Academy, to Olivet College, to Chicago Seminary, to Ann Arbor University pastorate, and to the Congregational Education Society. It is part of this agreement that all offerings are to be sent to the Congregational Education Society, Boston, with the understanding that designated gifts will be forwarded by the Education Society to the places designated.

The recommendation of the Conference at its last annual meeting that the churches be asked to increase their per capita tax one cent in order to meet the increase levied by the National Council, has been approved by all the local associations in the State, with several exceptions. It is expected that favorable action will be taken by these associations at their fall meetings.

Mr. F. E. Bogart having served six years as the Michigan representative on the Board of Directors of the Congregational Home Missionary Society, and being ineligible for re-election, has been succeeded, by nomination of this Conference, by Rev. Bastian Smits.

We submit the following recommendations:

RECOMMENDATIONS

1. That we accept the 1915 apportionment for benevolences as the apportionment for 1916, pledging ourselves to make every effort to meet it in full and, if possible, to exceed it at least 10 per cent. To this end we recommend that each church adopt the Every Member Canvass and plan for a large program of missionary education.
2. That the percentage basis in the division of funds for home missions, contributed by Michigan to the state and national societies be as follows: 85 per cent. to be given to the Michigan Congregational Conference and 15 per cent. to the Congregational Home Missionary Society up to \$19,000, exclusive of legacies, and that all sums above \$19,000, shall be given to the National Society.
3. That the percentage basis in the division of funds for Sunday School missions contributed by Michigan be as follows: After deducting \$300 to apply on administration expenses of the Michigan Congregational Conference that the remainder whether received in Boston or in Lansing, except such sums as are contributed for special purposes, be divided evenly between the Michigan Congregational Conference and the C. S. S. and P. S. Further, that the Michigan Congregational Conference and S. S. and P. S. contribute share and share alike toward the salary and expenses of the general Sunday School Missionary for Michigan.
4. That all our local associations at their fall meetings cordially co-operate with the secretaries of our Congregational Missionary Societies in carrying out a plan formulated by them to present their mutual interests to all the local associations in the denomination. The plan is to ask each association to grant to the representatives of our Missionary Societies two full sessions, preferably an afternoon and an evening session, at which time a joint team representing all our missionary boards can present the united cause and seek the co-operation of every individual church and pastor in the support and understanding of our missionary work.
5. That we approve the idea of giving a national status to the Friendship and Efficiency Campaign through the approval of the National Council as set forth in recent communications from Secretary Herring, and that we instruct the Board of Trustees, in conjunction, as far as possible, with the advisory committees of the local associations, to co-operate with any committee that may be appointed by the National Council to carry out a program of visitation among our Michigan churches.
6. That in order to meet a growing demand for a church manual whose provisions are in accord with the laws of Michigan and the usages of the State Conference, the Board of Trustees be instructed to prepare and publish such a manual.
7. That the Board of Trustees be instructed to co-operate with the local advisory committees of all the local associations in the State with the view of revising the constitutions of the local associations so as to unify them, as far as expedient, and to bring them into harmony with the constitution of the State Conference.
8. That the Board of Trustees be authorized and instructed to take the necessary steps to secure the renewal of the Conference charter which expires May 11, 1916.

9. That Superintendent J. W. Sutherland succeed himself at his present compensation.

10. That a special committee of five, to be nominated by the Nominating Committee, be elected to co-operate with the Business Committee in preparing a program and arranging for the fitting celebration of the seventy-fifth anniversary of the State Conference in the year 1917.

REPORT OF THE COMMITTEE UPON EXAMINATION AND COURSE OF STUDY

Thirteen licentiates appeared before the committee at its session upon Tuesday morning; and a still larger number have been cared for by the committee in various ways during the year.

Mr. Albert Dawe was examined upon the third year's work, and presented an essay upon the History of the Doctrine of the Atonement. His work was satisfactory, and the committee will issue to him the certificate recommending for ordination. Mr. E. L. Prentice, who comes to us from the M. E. Church, in which he had been ordained as deacon, and had qualified for elder's orders, was examined both orally and in writing, and is passed for ordination. Mr. W. Brown of Onondaga, who is a graduate of Hartley College, Manchester, England, from which several valuable men have come to us, presented his credentials from the college to the committee a short time ago, and was given the certificate commending him for ordination.

At the last Conference Mr. J. H. Roger was recommended to enter Chicago Seminary. The change of the Seminary's location to the University compelled it to adopt the strict requirement of the A. B. degree for entrance, and this has prevented Mr. Roger from fulfilling our recommendation. He has accordingly registered at Bangor Seminary for next year. Mr. Chas. H. Meeker is also recommended to go to Bangor as soon as possible. That Seminary has shown what it can do for men of talent and industry, but without large educational opportunities, by sending out a remarkable series of such men of whom Dr. Geo. A. Gordon of Boston, our visitor, Dr. Daniel Evans, and our own Dr. J. S. Williamson are shining examples. We hope for great results from the departure of these young men for Bangor. Mr. C. E. Peterson, of Benzonia, having graduated from Wheaton College, is recommended to enter a theological Seminary of his own choosing at as early a date as he finds convenient.

Mr. W. R. Columbus, not having quite completed the work of the second year, is continued as a second year student, in the hope that he may complete the course by next Conference. Mr. Paull is also continued as a first year student.

Of new students in the course, the following appeared and were thus assigned to work:—

Mr. C. B. Drake, a man of wide experience, some time probate judge of Montmorency county, is to pursue a special course preparatory to a final examination at the close of the present year.

Mr. Jacob Skinner, a student in Adrian College, is given credit for one year's work, and advanced to the second year.

Mr. L. L. Steadman, entered as a first year student, is directed to take the Chicago Seminary correspondence course.

Mr. Donald T. R. McLean is entered as a first year student and directed to take the Chicago correspondence course.

Mr. H. S. Scarlett is entered as a first year student.

Mr. W. S. Ross, a graduate of the Moody Institute, is assigned to special studies with a view to a final examination at the next Conference. Mr. H. W. Moody, also a graduate of the same institution, is put upon the same assignment.

Mr. J. L. Kennedy, a student of Alma College, supplying at Carson City, was not regarded as coming within the scope of the committee's work, as he expects to enter the ministry of the Presbyterian Church.

Mr. I. E. Kinney is continued as last year.

Of the other licentiates, Mr. K. M. Payne excused himself by letter from attending; Mr. H. Kreulen applied for a special examination to be taken at home; and the following made no report of themselves whatever, viz.: H. W. W. Allen, J. W. Greene, E. Humphrey, E. M. Salter, B. D. Snook, A. N. Varney, R. L. Wintz, G. Stewart, and R. O. Holman.

The experiment of referring our licentiates to the Chicago Seminary for instruction by correspondence, which was entered upon last year, will be continued this year. It has not, however, been yet made certain that the experiment will prove a complete success. The Seminary does not seem to have been fully equipped for carrying on this sort of work. The corrected papers are not always sent back with sufficient promptness to serve the purposes of good instruction. And, then, the personal element seems to be somewhat lacking. Men cannot be successfully made by machine. We are informed that the Seminary has made new arrangements for clerical assistance in this department of its work; and, if such assistance can be so managed as not to increase rather than diminish the distance between instructor and pupil, the service received from the Seminary may yet prove adapted to our needs. It is in this expectation that we continue the experiment.

Respectfully submitted for the Committee,

FRANK H. FOSTER, Chairman

REPORT OF THE COMMITTEE ON RESOLUTIONS

First. The Congregational Conference of Michigan assembled from the north, south, and east, has experienced a reception, has been accorded a consideration and has enjoyed a fellowship that have emphasized the far famed wholesomeness and companionable qualities of this church and expressed the deep courtesy and dependable judgment of this people.

The spirit of the meetings in which we have participated we believe to be an outgrowth of, and true reflection of, the heart desires of this progressive church of the Grand Traverse region. That this is the desire of the church and that it is real, unselfish and inclusive is fully shown by the adequate provision made for our highest spiritual culture: The keen illuminating and safe utterances and personal contact of Prof. Daniel Evans of Cambridge, Mass.

Be it therefore resolved, That the Congregational Conference of Michigan does hereby express its hearty recognition of the untiring efforts of the First Congregational Church and people of Traverse City that the meeting of this Conference might be inspirational, instructive and permanent in its results.

And be it further resolved, That we express our grateful appreciation of the cordial welcome to the hearts and homes that has made it possible for us to receive the best and realize the most from this annual meeting of the Congregational Churches of Michigan.

And be it further resolved, That we express to The Record-Eagle our deep appreciation of the full and accurate reports of the proceedings of the Conference that have appeared in its columns from day to day and for the large number of complimentary copies of the paper that have been placed at the disposal of the members of the Conference.

Second. The Michigan State Conference rejoicing in the achievements of the past year and looking forward with courage and faith to the year to come, summons the Congregational Churches and ministers of our fellowship to commit themselves wholeheartedly and unreservedly to the work of the kingdom, to faithful and courageous meeting of local tasks and opportunities, to earnest and intelligent evangelism, to constructive social service, and to an ever enlarging missionary program.

Third. While treasuring as fundamental in Congregational ideal and practice the independence of each local church, we urge full recognition of the claims of fellowship, and to this end commend the Friendship and Efficiency Campaign, and the proposed Joint Missionary Education Campaign. We also urge that the importance of the Local Associations be fully recognized, and that informal occasions of fellowship between the churches be encouraged. Especially we recommend that the ministers, churches and associations located in the more remote portions of the state be assured of their full part in life and fellowship of all the churches of the Conference.

Fourth. We approve the aggressive and constructive denominational policy as expressed through the National Council and authorize the Michigan delegates to the National Council of 1915, to express the approval of the Conference of the general features of the proposed report of the Commission on Missions, it being understood that the delegates retain their full rights of individual opinion, judgment and vote.

Fifth. We heartily commend the Annuity Fund to the ministers as worthy of their participation and to the churches as worthy of their contributions.

Sixth. We send the affectionate greetings of the Conference to Rev. Leroy Warren, formerly for 25 years, Superintendent of Home Missions of this State, and to his honored wife, Mrs. Warren, and we request the Scribe to communicate to them this action.

Seventh. We instruct the Moderator to communicate with the President of the United States by telegram an expression of the affectionate loyalty of the ministers and delegates composing this Conference at this time of national crisis.

REPORT OF COMMITTEE ON NECROLOGY

REV. HENRY COATE

Rev. Henry Coate was born in Howard county, Ind., Feb. 6th, 1843. His boyhood and young manhood were spent on the home farm. At 22 years of age he went to Kokomo, Ind., and entered the dry goods business with his father, in which business he continued for nine years. When about 30 years of age he became a decided Christian man and determined to give himself to the ministry of the gospel. He became a preacher and pastor among the Quakers, following no doubt, the leading of his grandfather who was an honored minister of that communion.

After ministering for some time in the church of his fathers, he found himself not quite in accord with some things taught and practiced in that denomination and finally cast in his lot with the Congregationalists. His first Congregational ministry was with the churches of Fredonia and Newton. Then followed pastorates at Marshall for one year, at Dundee for three years, at Morenci for five years and at Wascon, Ohio, for seven years.

His health becoming impaired, through overwork, he was compelled to demit the regular pastorate for about seven years during which time he occupied himself in secular pursuits. He then supplied the church at Metamora, Ohio, for three years. Two years ago he had a slight attack of paralysis from which he never recovered. He finally, with other members of his family, removed to Hudson, Mich., and after nine months of infirmity and suffering there, entered into rest, June 27th, 1914, at the age of 71 years and six months.

He is said to have possessed a genius for business, besides being an able and successful minister, beloved, and especially able to attract men to his ministry. He was most fortunate in his life-companion, Miss Sarah A. McCracken, to whom he was united in marriage when 21 years of age, with whom he lived happily 50 years, and who survives him. He is also survived by one son, R. M. Coate, who, till about two years ago, was a professor in Atlanta University, Ga., and two daughters, Mrs. Flora Marks of Hudson and Miss Minnie J. Coate, principal of the high school, Algona, Iowa.

REV. ROBERT STAPLETON

Rev. Robert Stapleton was born in Dublin, Ireland, July 10th, 1840, of English parentage, his father in the army service being stationed at Dublin. The greater part of his early life was spent in England, where he learned the printer's trade and became interested in co-operative stores and trades, having charge of a co-operative printing society.

He studied for the ministry in the Congregational Institute at Nottingham, England. After completing his studies he had charge of the Congregational Church at Long Eaton, England, for seven years, where he showed a special interest in young people. In 1883 he came to the United States and settled in Maple Rapids, Clinton county, Michigan, where he served for some time as minister of the Congregational Church. Immediately following, he was pastor in Iowa for a number of years, and from there went to Ohio. He returned to Michigan in 1903 to take charge of the Genesee Avenue Congregational Church of Saginaw, where he was pastor for six years.

After relinquishing the pastorate of the Saginaw church, he frequently supplied many churches in Saginaw and vicinity. Five years previous to the close of his life, he was appointed county agent of the State Board of Corrections and Charities in Saginaw county. He continued active in this work, manifesting a peculiar interest in juveniles, placing children in homes and visiting homes throughout the county, until a week before his death which occurred December 25th, 1914.

He was active and prominent in church work and in the fellowship of Young People's societies to the end, and at the time of his death was a member of the First Congregational Church, Saginaw.

He was married in the cathedral at Manchester, England, Feb. 26th, 1862, to Alice Speakman, who died in March, 1913. He is survived by three daughters in Saginaw, Jessie, Annie and Lizzie, by two sons, Rev. Robert S. Stapleton, a missionary, who is stationed at Erzeroum, Turkey, and Rev. John Stapleton of South Norwalk, Conn.; by ten grandchildren, and by two sisters in England. His oldest son, Edwin Stapleton, died in Saginaw in 1910.

REV. C. F. HAWLEY

Rev. Calvin Filmore Hawley was born Dec. 2nd, 1829, near Canandaigua, N. Y., of New England ancestry. He received his education in the district school and neighboring academy, and later at the Lima Methodist Seminary.

Converted in his youth, he early felt the call to special service and was ordained to the ministry when but 21 years old. While pastor of the Wesleyan Methodist Church at Odessa, N. Y., he became interested in the new Illinois Institute, afterward Wheaton College. A period spent in that institution was followed by several years of pioneer evangelical work in Minnesota, under the American Missionary Association.

In May, 1859, he married, at her home in Elgin, Iowa, Miss Caroline Babcock, daughter of Rev. Henry Babcock, and returned to the regular pastorate. Then the new Wesleyan Methodist College at Adrian, Michigan, called him to act as its representative in the field and he settled in that city. Immediately following the loss by death of a little daughter, he returned to the vicinity of his boyhood home and spent about ten years in pastoral work. He then chose Wheaton, Illinois, as his place of residence because of its educational advantages, and entered upon his long and fruitful career as an evangelist, assisting pastors, wherever called, in many states. In 1892 he returned to pastoral work and spent the last eight years of his active ministry in the Gladstone Congregational Association of Michigan.

Retiring from the active ministry at the age of 70, he shortly after made his home in Alpha, Illinois, where he preached occasionally as a supply and served the Hopewell church one year, 1910-11. Following a severe illness in the fall of 1914, after he had apparently become convalescent, he unexpectedly and quite painlessly passed away, Sunday, Nov. 22nd, 1914, when he lacked but ten days of completing his 85th year.

He is survived by his wife; one daughter, Miss Emma Paine; two sons, Dr. Frank S. Hawley of Mountain Home, Idaho, and Herbert D. Hawley of Alpha, Illinois; six grandchildren, and one sister, Mrs. Ann Sterling of Canandaigua, N. Y.

WILLIAM MITCHELL

Rev. William Mitchell was born 83 years ago in Devonshire, England, being the son of a clergyman of the Reformed Episcopal Church. Choosing his father's profession at an early age, he fitted himself thoroughly for the ministry, graduating from Cheshunt College in 1857. In September of the same year he entered upon the pastorate of the Congregational Church in Driffild, where he had supplied for some months as a student. He was ordained there in the following November; and during his first year at this place he married Miss Anne Tate, the affectionate and helpful companion of his long ministry. This first pastorate continued through 18 years of exceptional growth and spiritual prosperity in the history of that church.

From Driffild Mr. Mitchell was called to the larger field of Pickering. After a successful pastorate of 10 years at this place, he decided to remove to America, being led to make the venture by the prospect of larger opportunities for his sons. Correspondence with Rev. Leroy

Warren, then Congregational Home Missionary Secretary for Michigan, resulted in his choosing Michigan as his future home, whither he came in the spring of 1884, carrying with him testimonials of the sincere affection and high appreciation of the churches he had so faithfully served in England.

Then past 50 years of age, having served in the ministry for 28 years, with cheerful courage he entered upon his labors among strangers, graciously adapting himself to the ways of our American churches. His first settlement in Michigan was at Galesburg. From there, after two years, he was called to Mt. Hope Church in Detroit as its first pastor. Taking this work as a mission, after eight years of efficient service, he left it a well organized and useful church. In this pastorate Mr. Mitchell not only endeared himself to the people of his church and parish but, also, won the respect and honor of his Congregational brethren in the city and in the State. This was practically his last pastorate.

He supplied for short periods at Roseland, La., and at Good Samaritan Chapel in Detroit, and then retired to his home near Brewster Church, Detroit, where he resided until his death. During the last eleven years of his life he was a devoted member of that church, regular in his attendance, deeply interested in the life and work of the church and loved and honored as a father by the people. These years of retirement were by no means the least useful of his ministry, for the sweetness and gentleness of his Christian spirit and his fine manliness and wisdom made him an enduring influence in the life of the church and community.

As a preacher he was scholarly, original and modern, and harmonious and strong in his spiritual proportions. In his relations with others he was genial and kindly, modest and unassuming, a humble and faithful servant of Jesus Christ, a great and saintly soul.

Mr. Mitchell died March 15th, 1915, at his home in Detroit. He is survived by his wife, seven sons, and two daughters, all of whom reside in Detroit, except Rev. Frank Mitchell, who is pastor of the Congregational Church in Faulkton, South Dakota.

REV. WM. H. SKENTELBURY, SR.

Rev. Wm. H. Skentelbury, Sr., was born at East Looe, Cornwall, England, March 7th, 1843. In May, 1870, he married Miss Matilda Smith. The same year he came to America, and, after studying three years at the Chicago Theological Seminary, he became pastor of the Congregational Church at Wacousta, Michigan, where he was ordained. His entire ministry of more than 40 years was with the Congregational churches of Michigan. He served the following churches: Wacousta, South Haven, Hubbardston and Carson City, Dundee, Lake Odessa, Watervliet and Coloma, Grand Junction and a second term at Dundee.

He was a most worthy minister of the gospel and a devoted servant of the churches. He was remarkable for the immense amount of work that he put upon his literary efforts, writing for his own satisfaction two dramas and a large number of poems. He was always a missionary enthusiast and tried to bring the vision of a world-gospel to his parish.

On account of impaired health he was compelled to retire from active work in May, 1913. He continued to reside in Dundee until his death.

The day before his death he seemed unusually well. He retired as usual at night and passed away peacefully in his sleep. He is survived by his wife, and five children: Mrs. Helen M. Artley, Mrs. Eaton Laskey and Mrs. James Paxon, of Dundee, Michigan; Mrs. A. W. Cavanaugh of Chicago, and Rev. Wm. H. Skentelbury, Jr., of Portland, Michigan.

REV. DARIUS NEWTON GOODRICH

Rev. Darius Newton Goodrich was born in Saddle River, New Jersey, Feb. 3rd, 1834. His father, of the same name, was a practicing physician in New York City for many years, and in that city the son passed his childhood and early youth. Mr. Goodrich retained to his latest days the cultured bearing and gentlemanly air which the city gives. He also came of a good stock, for the Connecticut Goodriches have contributed much to the growth of our young nation, from Peter Parley who popularized American history and biography for the youth to Chauncy A. Goodrich, professor in Yale Divinity School, who became chief editor of successive editions of Webster's Dictionary. At about the age of 14, he was sent to his grandfather in Berlin, Conn., where he grew up and where he attended the common schools and got something of that tendency which was common in New England and traditional in his family, towards an education. At 17 years of age he was transferred to West Meriden, Conn., where he went to learn a trade.

It was in West Meriden that he united with the church, and his attention was attracted to the idea of an education, and to Oberlin as the place where it should be obtained, and doubtless to the ministry. It was a family calling, for great numbers of the Goodrich family are found upon its rolls in New England to this day. He was now 20 years old; but he enrolled at the beginning of the preparatory course, spending three years in that course, four more in college, three more in the theological seminary, till after full 10 years, 1854-64, he graduated and entered upon the work of the ministry. He obtained a good name as a scholar, as his early appointment to a professorship in our young Michigan college of the north, Grand Traverse College, indicates. It was chiefly, however, the influence of the men and women with whom he was brought into contact and the impact of those stirring anti-slavery days that molded his young manhood.

After graduation, he served in the Benton Barracks in St. Louis, during 1864-65, reaching ordination after a time (1865). He held his professorship from 1866 to 1870. He then settled in the ministry, at East Jaffrey, New Hampshire. For 10 years he continued in this work, serving three churches, of which the last was in Salem, Michigan. The strain of the work of a preacher and pastor was too great and from '81 to '87 he contented himself with occasional service in missionary fields in the northern part of the State; but in 1887 he saw clearly that he was unequal to the task of regular work, and retired to Olivet, where he remained. There he rendered considerable service in occasional supplies, or in longer engagements, but after a time these naturally ceased, while he continued deeply interested in everything going on in the church and the world, but himself apart from it all. On New Year's morning, 1915, he fell on sleep, in the 81st year of his age.

At the time of his death he had been an ordained minister 50 years. He was pre-eminently a biblical preacher. Within the limits of his strength his work was of a high order. He bore the limitations of his career without complaint, or jealousy of those more fortunate. He was a chivalrous gentleman in all his bearing. Inclined to be conservative, he was charitable and tolerant, nay, liberal toward others. He used what strength he had with unfailing fidelity, maintaining a high level of Christian faith and devotion, which was reflected in the high honor and integrity which he maintained before the world.

REV. JOHN J. STALEY

Rev. John J. Staley for 13 years past the honored pastor of our church at Manistee, closed his life work April 1st, after an illness of four weeks, at the age of 54 years. Mr. Staley was born at Angola, Indiana. His early life after leaving school was spent in Lansing, Michigan, where he worked as a carriage finisher and as a mail carrier. At the age 29 he "found himself" under the preaching of Rev. C. H. Beale then pastor of Plymouth Church, now of Milwaukee, Wisconsin. Believing that he was called to preach the gospel he at once entered upon a course of preparatory study under the guidance of Dr. Beale and after five years was ordained pastor of our church at Leslie. Following successful work with that church for over two years he served the churches at Dexter and Belding with eminent success. Called to the Manistee church in 1902, he at once became prominent not only in the religious life of the city but also in its social and civic activities. He was known, respected and loved by the entire community, and when his neighbors gathered at his grave it was with the feeling that Manistee had lost its best citizen. Mr. Staley is survived by his wife to whom he was married before he entered the ministry, and to whose unfailing sympathy and co-operation he was greatly indebted for his ministerial success.

Dr. Beale, who probably knew Mr. Staley more intimately than any other of his ministerial friends, gives us the following appreciation of his work as a preacher of the gospel: "Mr. Staley's success in the ministry, considering his late start and lack of training, was phenomenal. He was a natural orator, intuitive, fluent, magnetic. His mind went to the heart of a subject, avoiding all casuistry and side issues, and he presented fundamental truth with a directness and vigor that commanded the attention and won the assent of his hearers. He knew both the good and evil in the hearts and lives of men by intuition and experience. He believed in men in spite of their weakness and wickedness. He easily bridged the gulf that is apt to separate the minister from those who think and live in a different realm and thus came into sympathetic contact with men of all classes. He was without guile, malice, conceit or inordinate self-seeking. He possessed gifts that might have made him a musician or a comedian; he preferred to be a simple and earnest minister of Jesus Christ."

Nadal of Olivet College as chairman of the evening. Prof. Nadal declined to make a speech and called upon Rev. Victor F. Brown who read the minutes of the last meeting as prepared by Sec. H. B. VICTOR F. BROWN, Scribe

MICHIGAN CONGREGATIONAL BROTHERHOOD

Report of the President

The State Brotherhood has for the past year maintained its usual attitude of masterly inactivity, aided and abetted by the officers of the State Conference. This is no doubt as it should be; for unless some work of great importance that is not already being looked after by the Superintendent and his helpers comes along to be done, the State Brotherhood might better not be too active, and possibly do more harm than good.

In January, W. R. Gilbert of Brimley, Mich., was appointed Association Vice-President for the Sault Ste. Marie district, in place of Rev. N. Skidmore, who had moved outside the territory, and Rev. William Roscoe Kedzie of St. Johns was appointed Director of the Genesee Association, in place of Rev. M. Mullen, who moved outside the territory. Both of the appointees very generously accepted the offices, and have been doing good work ever since.

In April, 1915, News Bulletin, a request was sent out, asking a report from every Brotherhood or Men's Organization, stating what had been done during the year, what they hoped to do next year, and any recommendations they might have regarding the work for the State Brotherhood. From the few replies received, and from the many reports sent direct to Dr. Sutherland's office in Lansing, we are convinced that the Brotherhood is growing in numbers as well as in interest and helpfulness, and will no doubt continue to grow as it should.

It, however, is probably true, as one of our Association Directors writes, that the heavy expense of the first years, and the pointed appeals for money, have had a deterrent effect on Brotherhood work, but he goes on further to say that the churches have undoubtedly been helped to meet their missionary apportionment, and in many other ways by the Brotherhood movement. And the latter in my mind is the point of the whole proposition.

We have failed to hear of any church where a live or half alive Brotherhood or Men's Organization is in operation that has not been benefited in many ways.

We recommend to every minister of every church that has not already a live Brotherhood or Men's Organization, to organize one at once. As a tool for efficiency, you will find it the best thing you ever struck. You can get things done and done

quickly by your Brotherhood, some things perhaps that you may have been hoping and praying for, for years. Do not wait another week—then send a report to the State Secretary, with list of officers, number of members, etc. He may have some work to suggest for your Brotherhood to do. You will never know until you try it.

As to the financial end, you know the State Brotherhood costs you nothing. Perhaps this is too cheap; but it is the price, and the price will never be increased without your knowledge and consent.

The State Brotherhood stands for the men of the church, and for the Congregational Extension Fund, and hopes that the new officers you decide upon will have the time and the power to increase the efficiency of the work along the lines that the Michigan State Brotherhood has been working since its organization.
